June 2007	Bachelor degree	Imaging Arts & Sciences	Paris 8 university, FRANCE
June 2005	Technical degree	Multimedia	Chaumont, FRANCE
June 2003	High school degree	Arts	Caen, FRANCE

Language :

French	native
English	business level (2014 : TOEIC 945)
Japanese	intermediate level (2014 : JLPT N3)

Technical Skills :

Programing	HTML, CSS, Javascript, PHP, SQL
Graphic design	Photoshop, Illustrator, Flash
3D Video	3DSMax, After Effects, Premiere

Interest :

Japanese culture
Motor sports
Video games

Motivation :

With a double background knowledge in graphic design and also in technological programming and development, I have a strong interest in multimedia realization solutions. I had the opportunity to experience working on many steps of the development process, using my abilities to focus on the projects' objectives. I always look for new and innovative ways to improve my skills.
